Earth Science Week Family Festival

October 8, 2011

11:30-4:00

Free with Permanent Exhibit ticket.

To kick off National Earth Science Week, families are invited to join us for the Earth Science Family Festival. Scientists and engineers specializing in all types of earth sciences will be the Museum's Wiess Energy Hall, the Paleo Hall, and the Cullen Hall of Gems & Minerals. There will be plenty of fun facts and activities to help you earn your badges.

More about Earth Science Week:
www.earthsciweek.org/whatisesw

Brownie and Tiger Trails

A new program designed for our youngest scouts! The "Trails" include an introductory lesson on the topic, a teaching tour through the exhibit halls and then a hands-on craft activity to take home. "Trails" are designed for Tiger and first year Cub Scouts, or Daisies and Brownies. Tigers and Cubs will earn the Geology or Science Belt Loop.

Register online!

www.hmns.org

Click **Education**, then **Scouts**.

All registration is completed online. Please read the online information carefully before registering. Some Merit Badge classes have outside work or meet off-site. All badges are completions. Classes must be paid in advance.

If you have any questions, please email scouts@hmns.org.
