**JUST 4
DAISIES &
BROWNIES**

Brownie and Tiger Trails

A new program designed for our youngest scouts! The "Trails" include an introductory lesson on the topic, a teaching tour through the exhibit halls and then a hands-on craft activity to take home. "Trails" are designed for Tiger and first year Cub Scouts, or Daisies and Brownies. Tigers and Cubs will earn the Geology or Science Belt Loop. Brownies earn the new Bugs badge.

Register online!

www.hmns.org/scouts

All registration is completed online. Please read the online information carefully before registering. Some Merit Badge classes have outside work or meet off-site. **All badges are completions.** Classes must be paid in advance.

If you have any questions, please email scouts@hmns.org.
