Junior Girl Scouts

Classes and Overnights for Junior Girl Scouts are at the George Observatory.

Register on-line!
www.hmns.org
Click *education*, then *scouting programs*.

Notes to Know:

All Boy Scouts must go to the Merit Badge On-Line Workshop of the class before registering. Go to the Boy Scout section of the Scouting Programs page on the web site.

Many classes have prerequisites, outside requirements or meet at locations other than the museum. The on-line workshop will help you fulfill any outside requirements.

Webelos, Cubs, and Brownies classes fulfill all requirements in the class.

The cost of each Scout class at HMNS includes Museum admission (excluding special ticketed exhibitions) for Scouts, parents, and leaders. Classes must be paid in advance and we regret that no refunds can be given. If you have any questions, please email us at scouts@hmns.org.

George Observatory

There are lots of fun things to do at the George Observatory in Brazos Bend State Park. Your Pack or Troop can go to out space in a Challenger Mission, join a Star Party to view through the large telescope on a Saturday night, or earn badges during an overnight. For information go to www.hmns.org and look under *See and Do*, or call 281-242-3055.

Overnights at HMNS

Spend the night in the Museum!

In The Woodlands

Look for scout classes at the Xploration Station in The Woodlands
