

Brownie Girl Scout Journey Tie-ins  
 Passport to the Universe  
 George Observatory

It's Your Planet – Love it!  
 Brownies: WOW – Wonders of Water

Book	Page	Tie In
Adult Guide	18	Plan day trips to local nature areas.  Parks, gardens, and natural history museums are great places to enrich water experiences.
Adult Guide	19	Teach “Leave No Trace” principles, which include never taking live vegetation or animals from their habitat.  Talk about what “Do Not Disturb” means regarding plants and animals.
Adult Guide	22	The Expedition Center mission meets the requirements of learning by doing as a hands-on learning process that engages girls in continuous cycles of action and reflection that result in a deeper understanding of concepts and mastery of practical skills.
Adult Guide	23	Through cooperative learning, girls work together toward shared goals in an atmosphere of respect and collaboration that encourages the sharing of skills, knowledge, and learning in the Expedition Center.  The Expedition Center mission helps girls to make the most of teamwork activities.  The mission experience encourages girls to take responsibility as a team in deciding how to accomplish a task.
Adult Guide	66	Girls learn about the importance of water in space and how to conserve and ration their resources.

## It's Your Story – Tell It! Brownies: A World of Girls

Book	Page	Tie In
Girl	4	Expand the concept of a journey by making an interplanetary passport as they learn about space travel.
Girl	33	Brownies explore their strengths and talents as they experience role-playing in the Expedition Center.

## It's Your World – Change It! Brownie Quest

Book	Page	Tie In
Adult Guide	24	Expedition Center missions offer girls a chance to learn by doing, experiential learning, in a hands-on learning process that engages girls in continuous cycles of action and reflection.
Adult Guide	25	The mission allows girls to work together through cooperative learning that encourages the sharing of skills, knowledge and learning.
