## Frequently Asked Questions

Here are answers to some of the most frequently asked questions about spending a night at the Houston Museum of Natural Science!

### Who can participate in an Overnight?

Overnights at HMNS are for children ages 6-12 and their adult chaperones. Chaperones must be at least 21 years old. We also ask that groups have a ratio of at least 1 chaperone for every 10 children with a minimum of 2 adults for any sized group.

Overnights are not offered for adult only groups.

### When are Overnights available?

Overnights are available Monday-Saturday evenings. Overnights are from 6:30pm to 9am the following day. Dates are subject to museum availability and typically book 6 months in advance.

### What do Overnights include?

An HMNS Overnight includes:

- Dinner
- A scavenger hunt in one of our permanent exhibition halls
- Hands-on activities with museum educators
- An evening snack
- Sleeping in one of our renowned exhibit halls
- Continental breakfast
- A commemorative HMNS Overnight patch
- Parking in the HMNS garage
- Admission to the Museum's permanent exhibit halls the day after your Overnight experience
