WHAT YOU NEED

- Activity Card
- Something to color with

STEP 1

Color the top of the card; the bottom will not be seen once folded
STEP 2

Flip the paper over to the blank side and fold on one diagonal line so the top corner is touching the long edge of the card.

STEP 3

Open up your first corner and fold along the other diagonal line.
**STEP 4**

Open the card up and fold the top down along the point where both diagonal lines meet.

**STEP 5**

Open the card up and pinch the two edges towards each other, the top will start to form a triangle. Press this triangle down.
STEP 6

Fold the bottom corners of your triangle over to create the front feet.

STEP 7

Lift one side of the triangle up and fold the long edge in towards the middle. Do this to the other long edge.
STEP 8

Use an accordion fold to turn the long rectangle into springy legs. Make sure the legs end up underneath the frog.

STEP 9

Flip your frog over. Press down on your frog’s legs and watch it fly!
