MS Finnmarken was built in 2002 and is Hurtigruten’s third ship to have this name. The ship belongs to the same class as MS Trollfjord and MS Midnatsol. It is Hurtigruten’s only ship with both a swimming pool and a Jacuzzi on deck. A very special feature of MS Finnmarken is that on deck 5 there is an outdoor deck at the very front of the ship for guests to enjoy. The ship is beautifully appointed and decorated in an Art Deco style.
