- \* **Min. of 75 high resolution digital photos per each hour of coverage**

### Deliverables

- \* Candid photos of guests and close up shots of decorations, food, etc.
- \* Particular attention is paid to photos of the guest of honor and family
- \* Posed shots are taken as requested
- \* Photos are edited for color, cropping and exposure – additional editing on background, skin or other special requests are subject to extra charges

*In addition to the time to take photos, these rates also include the time to select, pack and charge all necessary equipment, travel to and from the venue, early arrival for setup and analysis of the area for lighting, etc. Also the time required for uploading, backing up, selecting, editing, and digitally processing each individual photo. Finally, the soft and hard delivery process for the final set of photos.*
