REFER A FRIEND DISCOUNT

Don’t keep the fun all to yourself! Share your HMNS summer adventures with a friend. Refer a friend to Summer Scouts at HMNS and you’ll both receive $25 off one Five-Day Summer Scout class! If you have any questions about this offer after reviewing the information below, please email scouts@hmns.org or visit hmns.org/education/scouts/summer-classes/refer-a-friend for more information.

How does it work if I want to refer someone?

• When you register for a five-day Summer Scouts at HMNS class, you’ll receive a confirmation number. Send your confirmation number to a friend to use as their discount code when they register. They’ll receive $25 off their five-day class, and you’ll receive a $25 refund for your five-day class once their registration has been processed.

• Your friend must book no more than two weeks after your child’s five-day class takes place for the refund to apply to 2020. If your friend books more than two weeks after your child’s five-day class takes place, you’ll receive a $25 voucher for a future five-day Summer Scouts at HMNS purchase. Referral only valid for 2020 confirmation numbers.

How does it work if I’ve been referred?

• To apply the discount, fill out a Registration Form and write “Refer a Friend” and the confirmation number you received from a friend at the top of the form. Visit hmns.org/education/scouts/summer-classes/summer-scout-classes-registration to download a Registration Form. Send the completed Registration Form to the Registrar via email or fax (713-639-4681). You’ll receive $25 off one five-day class, and your friend will receive a $25 refund for their five-day class once you’ve successfully booked.

Can I register online and receive the “Refer a Friend” discount?

• This discount is not available through our online box office. You must email or fax your Registration Form to the Registrar to receive the referral discount.

Can I receive multiple discounts for one five-day Summer Scout Class?

• Unfortunately, you can only receive one “Refer a Friend” discount per five-day class. However, if you book multiple five-day classes with us this summer, you can receive one discount per referred friend who successfully books a five-day class. For example, if you register for three five-day classes, refer three friends—if they book five-day classes, you’ll receive $25 off each five-day class.

I referred a friend. When can I expect to receive my refund?

• Refunds will be processed once a week on Friday afternoons. Your refund should appear on your statement the week following the week your friend registers with your confirmation number as a referral code.
• If your friend books more than two weeks after your child’s five-day class takes place, you’ll receive a $25 voucher for a future Summer Scouts at HMNS five-day class purchase instead of a refund. Referral only valid for 2020 confirmation numbers.

**Can this be combined with other offers?**

• No, you may only apply one discount per five-day class. If you’d like to apply an additional discount, you will only be able to apply it to an additional five-day class.

**Are there any exceptions?**

• Yes, discounts cannot be applied to one-day or two-day classes. Also, the discount cannot be applied to the following five-day classes: “Scouts BSA—Be Prepared” or “Wayfaring Webelos.”

**I was referred by a friend, and I’ve referred someone else. Can I receive two referral discounts on my Summer Scout class?**

• If you’d like to apply a second referral discount, you’ll only be able to apply it to a second five-day class. You may not combine these offers to receive two referral discounts on one five-day class.

**If I’ve signed up two children for two five-day Summer Scout classes the same week can I receive a $25 discount off both five-day classes?**

• You’ll only be able to apply your referral discount to one five-day class. If you’d like to receive a discount on both five-day classes, refer two friends!

FREQUENTLY ASKED QUESTIONS

What are the appropriate ages for Summer Scout classes?
Classes follow the same guidelines as the BSA and Girl Scouts, as applicable, and are generally based on the grade that the Scout will be attending in the fall.

**Scouts BSA:** 6th grade – 17 years old;
Webelos: 4th – 5th grade;
Bears: 3rd grade;
Wolves: 2nd grade;
Tigers: 1st grade

**Girl Scouts:** Daisy: K – 1st grade;
Brownies: 2nd – 3rd grade;
Juniors: 4th – 5th grade;
Cadettes: 6th – 8th grade;
Seniors: 9th – 10th grade

Do parents need to stay in the class?
No. HMNS Summer Scout classes use qualified instructors; however, if you have a Scout with special needs and/or disabilities, i.e., who may need assistance to complete the requirements, a parent should expect to stay in the room to assist the instructor. Please contact the Scout Program Manager at (713) 639-4631 to discuss any special needs to help your child be successful in Summer Scout classes. If a Scout cannot complete the requirements, he or she will not be given full credit for the class. HMNS will not issue a refund in such circumstances.

Does my child need permission to take a Summer Scout class?
Girl Scouts, Cub Scouts, and Webelos do not need permission from their troop or pack to take a class. Scouts BSA must get permission from their Scoutmaster before starting work on a merit badge. If a Scout takes a class without the Scoutmaster’s approval, they may not be given credit for the work. HMNS will not issue a refund in such circumstances.

Do Scouts BSA need a Blue Card?
HMNS issues pre-printed “Blue Cards”, the official BSA form for Merit Badge Counselors, detailing the requirements completed by the Scout during class and verified by the Merit Badge Counselor. For Eagle-required merit badges, a Blue Card signed by the Scoutmaster is required for the Scout to take the class. If the Scout does not have a Blue Card signed by their Scoutmaster for an Eagle-required merit badge, the Scout may not be permitted by their troop to receive credit for the class. HMNS will not issue a refund in this instance. Scouts are responsible for submitting the completed blue cards to their troop after completion of the class.

Do classes have prerequisites or homework?
Some classes have prerequisites that need to be completed prior to attending class and/or homework assignments during the week. Worksheets for these prerequisites can be found on the scouts@HMNS website (hmns.org/education/scouts/summer-classes/scouts-bsa/). Please download these worksheets and have your Scout bring the completed worksheets to class and turn them in to the Merit Badge Counselor. Homework should be completed and turned in by
the due date provided by the Merit Badge Counselor. At the end of class, any incomplete work (partials) will need to be completed by the Scout afterwards and verified by the Scout Program Manager mconnor@hmns.org for merit badge credit.

**My Scout missed some of the class. Will they complete the badge?**

For Scouts BSA, daily class attendance is required to complete the merit badges. A Scout cannot make up a class by attending another session without registering for the full week. If a Scout misses a class, they will need to meet with their Merit Badge Counselor to find out what they missed and if there is a possibility to make up the work, depending on the activities missed. The Merit Badge Counselors may assign homework for the Scout to complete. If a Scout does not make up the missed work, they will get a partial on their Blue Card.

**When do I need to provide a Scout Health Form and Permission Slip?**

Texas law requires that a health record (scout health form, immunizations or medical affidavit) to be on file prior to the start of class for any child participating in HMNS programming. A permission slip, which informs parents about where, when, and how the class is going on a field trip, is required when Scouts leave HMNS property, including trips by bus, METRO light rail, and on foot. Both documents give HMNS staff permission to authorize medical treatment in case of an emergency. Visit hmns.org/education/scouts/ for Scout Health Forms and Permission Slips.

**Who are the instructors?**

HMNS Summer Scout class instructors are experienced teachers, professionals, and museum volunteers, all of whom have been vetted by the HMNS Education Department prior to teaching a class. All merit badge counselors are registered through BSA. Additionally, all BSA class instructors (including Merit Badge Counselors) are required to have current BSA Youth Protection Training certification.

**What do I do when I get to the museum?**

A parent must accompany the scout to the classroom on the first day of class. For summer classes, you do not need to check in at the box office; go directly to the classroom on the Lower Level. It is helpful to bring the registration confirmation printout. Classroom doors open at 9:10 a.m. on the first day of class and 9:20 a.m. on the following days for courses that are longer than 1-day. Class starts at 9:30 a.m. Expect to spend about 10-15 minutes for the check in process on the first day of class. The Teaching Assistant will collect scout health forms and permission slips, and your child’s name and emergency information will be added to the sign-in card.

**What are the Sign-In and Sign-out policies for Summer Scout Classes?**

For scouts who are in Scouts BSA or a Cadette Girl Scout, permission may be given to allow self sign in and out of class. Scouts will be released at 2:30 and escorted up to the entrance near the Butterfly Center on Hermann Park Drive. Parents will pick up their child from this location only and will not be able to park in this loading area. All scouts who have not been picked up by 3:30 will be escorted back to After Class and the parent will have to come in and sign them out of class. A parent must be present on the first day of class in the classroom to give permission for their scout to check themselves in and out.
After class self-checkout: due to poor phone reception on the lower level of the museum, parents will need to call the scout office at 713-639-4631, before their child can be released. Please have a designated location for picking up your scout that you have discussed with them beforehand.

3. RELEASE AND CONSENT

The Houston Museum of Natural Science ("HMNS") is offering the course(s) as shown above (the "Course"). Although HMNS hopes that no student is ever injured or hurt, injuries are a possibility of participation in the Course. The risk of injuries is a risk that the students and their legal guardians voluntarily agree to assume in exchange for the privilege of registering for and participating in the Course. The students and their guardians understand and agree that this risk is not a risk that HMNS assumes and that HMNS is not responsible for any injuries to the students. Accordingly, the guardian of the student (the "student") voluntarily releases, discharges, and waives the right to sue HMNS and its directors, officers, employees, volunteers, agents and all persons acting by, through, under, or in concert with HMNS (collectively, the "Released Parties") for any and all losses, demands, claims, suits, causes of action, liability, costs, expenses, and judgments whether arising in equity, at common law, or by statute, under the law of contracts, torts, or property, for personal injury (including without limitation emotional distress), arising in favor of the guardian, the student, or anyone claiming through us all claims based on the right of privacy, right of publicity, moral rights, or any other intellectual property rights related to the rights granted by me to HMNS.
