SCOUTS @HMNS FALL 2020

Scouts@HMNS is proud to present classes to help Scouts of all kinds and levels meet requirements for Merit Badges, Adventures, Badges, and more! Scout classes are designed for boys or girls who are interested in the topic and can be attended by any child in the correct age range for the class. You do not have to be registered with Scouts to participate.

This Fall we are excited to offer both online and in person classes. Below you will find additional information on both online and in person class formats and the listing of classes for each. Visit www.hmns.org/scouts for more information on classes and events such as our Virtual STEM Nova Weekend September 19-20, 2020!

Online Virtual Scout Classes

Based on our in-person classes and adapted to a virtual format, virtual classes will provide hands-on educational engagement that will cover most, if not all, of the requirements for each badge or adventure we offer.

An HMNS Educator will be on a virtual call with the class to interact with scouts, lead them in activities and answer questions. Class times vary based on badge requirements.

Some scout classes will require additional supplies (listed with ** below). Supplies will be mailed to participants, so registration is required at least 10 days in advance. The cost of postage is included in the class cost. We assume scouts have basic school supplies such as markers, scissors, tape, etc. but will send materials specific to the class activities.

Boxes will be automatically be mailed unless you email scouts@hmns.org to request pickup at our box office.
