

the Houston Museum of natural science

January 4, 2017

Dear Applicant,

Thank you for your interest in the Houston Museum of Natural Science teaching assistant program. Successful applicants will work in the Museum's *Xplorations* summer camp program and/or the Summer Scout program; interacting with children, organizing classroom materials and projects, and generally assisting our teachers. Teaching Assistants are paid \$7.50 per hour.

High school and university students who will be at least 16 years old by June 5, 2017 may apply to the teaching assistant program. Teaching assistant applicants should have an interest in teaching and in science, natural history and related fields. Additionally, they should communicate well with children and adults, demonstrate initiative, and have a positive attitude. Previous participation as a Houston Museum of Natural Science volunteer is an advantage. Please note that there are a limited number of positions available.

To apply for the teaching assistant position, please complete all enclosed forms. In addition, we ask for one letter of recommendation from a teacher or supervisor who has worked with you before. This letter of recommendation must not be from a relative or from an HMNS employee. Use the checklist on the following page to ensure you have completed all steps of the application process.

Applications will be accepted until March 17, 2017. After all materials are received, you may be asked to interview at the Museum. You will be notified via email by April 19, 2017 of whether or not you have been accepted as a teaching assistant. Please note that if you are invited to work at the Museum, there will be a mandatory training and orientation session on Saturday, May 13, 2017 beginning at 8:30 am.

Matti Hammett will be handling the paperwork for Teaching Assistants. If you have any questions or need any assistance with the information in this packet please contact her via email at mhammett@hmns.org

Sincerely,

Carolyn Leap

2017 Teaching Assistant Application Checklist

This checklist will help ensure you have done everything necessary to apply for the 2017 *Xplorations* teaching assistant program. Please contact Matti Hammett with any questions at mhammett@hmns.org.

- Please keep this page and the cover letter for your reference.** Read the preceding letter thoroughly before you begin your paperwork. You are responsible for all the information it contains.
- Print and complete all following forms:**
 - Teaching Assistant Applicant Information
 - Teaching Assistant Availability Form
 - Teaching Assistant Interview Availability Form
- Get one letter of recommendation** from a teacher or supervisor who has worked with you before. This letter may not be from an HMNS employee or from a relative. The letter should be sealed and signed by the recommender and included in your complete application packet or received separately by March 17, 2017.
- Return all completed forms listed above to Matti Hammett:**

Electronic delivery

In this case letters of recommendation may arrive separately via mail or delivery.

Applications may be completed, scanned, and saved in PDF format with your name in the file title. PDF applications may be emailed to mhammett@hmns.org, the subject of the email should be "TA Application: *your name*" When your file is received you will receive a confirmation email from mhammett@hmns.org.

If you have not received a confirmation email within three days please email to confirm receipt.

NO PHONE CALLS PLEASE.
