Each program is 30 minutes in length. To receive 1 credit hour, you will need to attend two programs and receive stamps on your passport from each program. If you turn in a passport with a half credit, certificate hours will be rounded down to the nearest hour. Educators have the opportunity to earn 1, 2, 3 or 4 credit hours during this event.

To receive a certificate for your credit hours, please proceed to the Grand Hall, and exchange your passport for a CPE certificate at the "Certificate Table." If you have any other questions about earning credit hours, please ask staff at that table. The "Certificate Table" will be open from 4:00 to 9:15 pm.
