Earn two hours of CPE credit in our upcoming monthly virtual teacher trainings! These workshops will be available over Zoom from 6:00 - 8:00 pm.

MAY 18 Engineering with Leonardo da Vinci **Virtual**

STAY UP TO DATE ON NEW TEACHER WORKSHOPS COMING THIS FALL!

GT Workshops

Educators will dive into the world of Menus and Project Based Learning while exploring the Museum to create lesson templates to use with their students. Our GT class for the summer of 2021 is designed to give you fun, engaging, and unique ways to promote gifted thinking in your students. This session has a cross-curricula focus and is suitable for GT teachers of all grade levels. Join us as we spend a day exploring the wonders at HMNS while learning strategies for immediate implementation.

JUNE:
8, 11, 22, 25,
29

JULY:
13, 16, 27, 30

Gifted and Talented:
Differentiating with the
Museum-Choosing Strategies
to Promote Gifted Thinking
