Thank you for your interest in the Houston Museum of Natural Science. In such a large and innovative city as Houston, catering is crucial in making a special event memorable.

- A proposal detailing the overview of your company
- Proposal menus for events
- A tasting for the decision committee that you feel shows off the best of what your company can offer.

Please take a look at a brief overview of what is to be expected of you should you become a caterer at HMNS.

- Caterer must pay an annual fee of $2,500 to the museum.
