GIRLS EXPLORING MATH + SCIENCE

**February 12, 2022
Student STEM Ambassador Booth
Application (part B)**

PROGRAM AGREEMENT

By submitting this application I, the undersigned, verify that I have completed this form completely and accurately to the best of my ability. I acknowledge that the individuals listed are the individuals that will be attending the event, no substitutions or rotation of participants on the day of the GEMS event will be allowed. I have read and understood all of the guidelines presented in the GEMS Booth Host information packet and understand that all individuals in my group will be expected to comply to these guidelines for the duration of the event. I understand that any individuals acting outside of the guidelines and Museum rules may be asked to leave the premises and no refund will be processed. I acknowledge that no refunds will be processed for funds related to the Girls Exploring Math and Science (GEMS) event unless the event is cancelled by the participating entities of Houston Museum of Natural Science and the Girl Scouts of San Jacinto Council.
