Scouts@HMNS is proud to present classes to help Scouts of all kinds and levels meet requirements for Merit Badges, Adventures, Badges, and more! Scout classes are designed for boys or girls who are interested in the topic and can be attended by any child in the correct age range for the class. You do not have to be registered with Scouts to participate.

We are excited to offer both online and in person classes. Visit [www.hmns.org/scouts](http://www.hmns.org/scouts) for more information on classes and events such as [STEM Nova Day](#) on October 8th & Girls Exploring Math & Science ([GEMS](#)) on November 5th!

## Online Virtual Scout Classes

Based on our in-person classes and adapted to a virtual format, virtual classes will provide hands-on educational engagement that will cover most, if not all, of the requirements for each merit badge we offer.

An HMNS Educator will be on a virtual call with the class to interact with scouts, lead them in activities and answer questions. Classes will be 4 hours for all merit badges.

Workbooks and Zoom information will be sent to participants at least 48 hours prior to the start date for each scouts class booked.
