# VIRTUAL OUTREACH WITH HMNS

Bring the wonder of HMNS to your classroom, with our exciting Virtual Outreach Programs!

### BUGS ON WHEELS: AMAZING ARTHROPODS

Discover insects & learn about the anatomy of an arthropod with this presentation featuring live arthropods from our Cockrell Butterfly Center.

### EARTH SCIENCE ON WHEELS: DINOSAUR DISCOVERY

Experience the world of dinosaurs! Discover their lives, diets, and adaptations through interactive presentations.

### WILDLIFE ON WHEELS: TEXAS WILDLIFE

Investigate the variety of habitats found in Texas and see how animals have adapted to survive in our diverse state!

### WILDLIFE ON WHEELS: VERTEBRATES

Explore the wonderful & diverse world of animals with backbones, as you learn more about the five major vertebrate groups!

### LIVE Q & A

Engage in a question & answer session with a HMNS Educator or Docent to enhance your Virtual Program

**Book your Q & A today!**
